

GRASSROOTS FARM, LLC

2011/2012 Pork Price List and Order Form

Our pigs are raised with patience and respect for the health and well-being of the whole animal. We provide access to certified organic pasture and straw bedded shelter, and always fresh well water. With a diet of locally grown, certified organic grains, locally sourced RGBH-free cow's milk and whey, and an endless amount of certified organic vegetable trimmings, we believe our Duroc-Hampshire cross pigs to provide some of the finest pork available. Very limited quantities are available. Processed by Black Earth Meats, Black Earth, WI, with certified humane handling practices. Smoked by Stoneridge Smokehouse in Wautoma, WI.

Order instructions: Complete the form below and return to us (see payment options below). Orders will be processed on a first come, first served basis, so return completed order form as soon as possible for the best availability of your entire order. Once we have received your order, we will pick weights of cuts that are closest to your desired weight choice, so please indicate +/- to insure we get you the weight closest to your request. After your order has been picked, an invoice will be created corresponding to the exact weights of each of your cuts, when applicable. Specify delivery and payment options below.
